## President's Message

Ladies:

Well Spring is almost here!! And you know what that means! the Basket Luncheon is almost here!

Are we getting all our clipboards and bases painted? Are we getting our baskets done and tickets sold?

If we all contribute three baskets and if we get all 122 tickets sold, we will have a bang up day!

And don't forget our special raffle items. If you have something really special you would like to contribute, don't forget to let Michelle Mueller know. We always have such a beautiful selection from which to choose.

The day will surely be an exciting day, and thank you Kathryn for doing such a wonderful job of putting this all together!

I have some exciting news to share with you on a personal note. I recently received confirmation from the Society of Decorative Painters that I am now a certified teacher with SDP!! I passed everything with flying colors I might add, and I am so thrilled and excited to receive this certification. It took me three long years to accomplish this goal, and I am so happy I made it!! Whew!!

**Don't forget we are meeting on the 31st of March, the fifth Saturday.**

This is going to be a fun project and would be a good time to invite some of your friends who might be interested in learning how to paint!

Remember, keep a clean brush!

**Vicki**

## Supplies List

### All Paints are Decoart Americana:

Butter	Napa Red
Dioxazine Purple	Pistachio Mint
Gooseberry Pink	Plantation Pine
Marigold	Warm White

### Brushes:

- Bring your normal painting brushes, i.e., #2, #4 and #6 flats, a 0 or 00 liner plus
- 10/0 liner, and a brush you use for dry brushing.

### Miscellaneous:

- Normal painting supplies, i.e., tracing paper, pallet, white transfer paper, styleus,
- paper towels, water basin, extender (optional), tape, etc.
- Hair Dryer
- Wire curler or needle-nose pliers to twist the wire
- Needle with larger eye to accommodate gold or ? threads

### I will provide:

- Decoart White Acrylic Writer, Silver, Gold Glitter paint
- Materials kit which includes the canvas surface, plus muslin and batting (assembled into quilt sandwich), and 18 gauge wire

I will also have some little packets of buttons and yarn made for purchase for the embellishments.

If you have some wonderful winter buttons and other embellishments and special yarns or threads that you want to use, bring them with you. Bring a needle, too, though I will have some on hand for you to use. The project calls for one large button for the wire hanger (be sure the eyes are large enough to accommodate an 18 gauge wire), three smaller buttons for the painted design area (eyes large enough to get a needle and fancy thread through). Some examples would be snowman button (1" to 1-1/2") and smaller stars, snowflakes, etc., for the smaller ones.

Class and supply fee—\$12.00.

## *Dear Ladies of the Brush,*

Julie Polderdyke is such a wonderful person and a talented artist to boot! We really enjoyed Saturday's project - watercolor paper with pen & ink on a mouse pad. We want to say "Thank you" to Julie for all her hard work, as she designed Saturday's artwork especially for our chapter. Talking about making us feel so special!

For March's project, we will have Mary Francis presenting the snowman on canvas. Now would be a great time to begin looking for some buttons and other embellishments to add to your piece. If you are crunched for time and supplies, Mary Frances will have button packets for sale, as well.

**NOTE: Ladies, there is still time to register for March's class. Please contact me ASAP via email ([cheryl.bryant@citrusworld.com](mailto:cheryl.bryant@citrusworld.com)) if you plan to attend. The cost is only \$12.00! I need to contact Mary Francis with a headcount so that she can plan on materials, etc. I'll collect your money before the class begins.**

Just a reminder, please feel free to contact me if you would like to teach a project or have a favorite artist you'd like us to invite.

Hope you all have a wonderful week!

*Cheryl*

## *Recipe*

Anyone interested in the recipe Sandy Aubuchon has for "veiling"—it is 2 parts glazing medium and 1 part white paint.

This is what we used to base coat the flowers and leaves before we painted them on the plates at her last seminar.
