

Quilt Update:

Raffle tickets and flyers are now available for all members. I started handing them out at the last meeting.

The proceeds from the sale of tickets will help our chapter in so many ways.

This is a chapter function and all chapter members are encouraged to sell tickets since the profit we make on selling raffle tickets benefits every single chapter member.

This will help us financially to bring in top named artists so we won't have to charge members and guests an arm and a leg for them to come and teach at our chapter. We will also be able to help out the community in some way and also to help subsidize our chapter President or other board member to attend the SDP national conference.

As a reminder, we will be selling raffle tickets until May of next year and will be drawing the winner ticket at the conference.

If you know of any craft festivals in your area or anywhere where we can display the quilt and sell tickets, let me know. My husband make a quilt frame so we can hang it up for display purposes.

This is a queen sized quilt measuring 60 x 80 and it have a sleeved sewed into the back of the top of the quilt for hanging purposes.

If you have any questions, please let me know.

We have a wonderful opportunity to have a successful fundraiser if all members participate.

Ways and Means:

We made \$38 at our Ways and Means table at the last meeting. Thanks to everyone who brought items in and those that bought tickets. This helps us pay our rent each month for the use of the facility.

Please remember to bring in a surprise item when it is your birth month and if you miss that month, bring it in the next month. It's always fun to see what special surprises our members bring in. And it's only once a year we ask that you do something a little special for the Ways and Means Table.

Lynda Jeskey brought in a gorgeous lap quilt (or wall hanging) she made (and painted on) and Kathryn Crane Thelien was the luck winner!!
